# Issues faced by the Organizations

1

Human Resources are expensive in United States and this impacts heavily on profitability.

2

Hiring a trained resources on payroll can be a challenge and attrition affects the process.

3

Scalability can be a challenge with limited and untrained team. Managing them also kills the time.

# List 1-3 ways your company proposes to solve them.

1

We provide dedicated & trained staff at very low rate.

2

We always have enough bench strength to take care of any hiring or exit of an employee.

3

We have experienced staff to take care of all your critical process efficiently.
